CONDITIONS OF EMPLOYMENT
OF AND BETWEEN
CITY OF FREMONT AND
LOCAL 856 OF INTERNATIONAL BROTHERHOOD OF TEAMSTERS**

ARTICLE 1 - ADMINISTRATIVE

SECTION 1: PARTIES TO UNDERSTANDING

This Memorandum of Understanding (hereafter MOU) is entered into by and between the CITY OF FREMONT, a municipal corporation (hereinafter referred to as the CITY), and the Professional and Clerical Employees Division of Freight Checkers, Clerical Employees and Helpers Union, Local 856 of International Brotherhood of Teamsters, (hereinafter referred to as the UNION) pursuant to Government Code 3500, et seq. This Memorandum of Understanding applies to those classes of employment set forth in Appendix "A" attached hereto and made a part hereof.

SECTION 2: RECOGNITION

The City recognizes the Professional and Clerical Employees Division of Freight Checkers, Clerical Employees and Helpers Union, Local 856 of International Brotherhood of Teamsters, as the exclusive representative for the purposes of establishing wages, hours, and other terms and conditions of employment for regular full-time and modified/part-time schedule employees in the classified service in the classes of positions set forth in Appendix "A", attached hereto and made a part hereof, as well as position classifications that may be added or deleted by mutual agreement in writing between said Union and the Municipal Employee Relations Officer or designee.

SECTION 3: STATE LAW COMPLIANCE

This Memorandum of Understanding complies with the provisions of Section 3500, et seq. of the Government Code of the State of California, and Chapter 4.5, Title 2 of the Fremont Municipal Code, in that the Employer-Employee representatives noted herein did meet and confer in good faith and did reach agreement on those matters within the scope of representation.

SECTION 4: CITY COUNCIL APPROVAL

It is the mutual understanding of the parties hereto that this Memorandum of Understanding is of no force and effect in regard to matters within the authority of the City Council until such matters are submitted to, and accepted by, the City Council.

SECTION 5: CITY RIGHTS

The City reserves, retains and is vested with any management rights not expressly granted to the Union by this Agreement, the Personnel Rules or the Employer-Employee Relations Resolution. These City rights include, but are not limited to, the right to:

1. Determine and modify the organization of City government and its constituent work units.
2. Determine the nature, standard, levels and mode of delivery of City services.
3. Determine the methods, means, number and kind of personnel by which services are provided.
4. Impose discipline for just cause, subject to applicable law and the provisions of this MOU.
5. Relieve employees from duty because of lack of work or lack of funds, or for inability to perform the job as required, subject to the Personnel Rules.

Nothing in this Section shall relieve the City of its obligation to meet and confer on the impact of the exercise of rights specified in this Section.

SECTION 6: CONTINUATION OF EXISTING BENEFITS

Except as provided herein, this Memorandum of Understanding does not modify existing benefits contained in the current salary resolution, or in the Personnel Resolution or Personnel Ordinance. Such benefits as remain unmodified, shall continue in full force and effect throughout the term of this Memorandum of Understanding.

This Memorandum of Understanding constitutes the full and complete agreement between the parties on all items falling within the scope of representation. This agreement supersedes previous memoranda between the parties, except as specifically referred to herein. Any City ordinance, resolution, rule, or regulation inconsistent herewith is superseded by the terms of the Agreement. For the term of this Agreement, each party hereto waives the right to request of the other any change in the provisions of this Agreement, any existing City ordinance, resolution, rule or regulation, or any other term or condition of employment falling within the scope of representation, and each party hereby unqualifiedly waives the right to request the right to negotiate thereon; provided, however, that should the City desire to propose revisions or amendments to the presently existing Personnel Ordinance and/or Personnel Rules or Regulations, and/or Employer-Employee Relations Resolution, the City may require of the Union that it meet and confer thereon prior to any proposed revisions or amendments being adopted, on either an individual or a "task force" (i.e., all recognized City employee organizations) basis. This agreement supersedes previous memoranda between parties, except as specifically referred to herein. This MOU shall be effective as of July 1, 2011 and shall terminate June 30, 2013.

SECTION 8: SEVERABILITY OF PROVISIONS

Should any section, clause or provision thereof of this MOU be declared illegal by final judgment of a court of competent jurisdiction, such invalidation of such section, clause or provision shall not invalidate the remaining portions hereof, and such remaining portions shall remain in full force and effect for the duration of this MOU. Should any such invalidation occur, the parties agree to meet and consider alternate provisions to those declared invalid.

The term modified/part-time schedule means a schedule of less than 2080 hours but at least 1040 hours per year. Modified/part-time scheduled positions shall receive pro-rated benefits based on the number of hours they work in proportion to a full-time employee/schedule.

An employee called to attend a mandatory meeting that is not a continuation of a normally scheduled shift or does not begin within one hour of an employee's normally scheduled shift shall be entitled to a minimum of one (1) hour's pay at one and one-half (1 ½) the employee's regular hourly rate of pay.

- F. The following provisions apply to the accrual and use of the Compensatory Time Off bank of hours. The Compensatory Time Off bank of hours shall be maintained in an account separate from the employees' accrued General Leave, and shall be limited to a maximum accrual of two hundred forty (240) hours.
 - 1. Employees will be required to irrevocably elect, prior to working the overtime, whether they wish to receive cash for the overtime or accrue the value of the overtime in a Compensatory Time Off bank.

An employee who is absent from work, for reasons other than authorized vacation, holiday, or compensatory time off, for all of the regularly scheduled work hours in a pay period shall not be eligible for nor receive the uniform allowance for each pay period in which such absences occur.

Employees shall continue to be required to adhere to the maintenance standards, uniform specifications, and appearance standards established by the City.

- B. New employees shall, as soon as is practical, but no later than two pay periods after the initial date of employment, receive one half (1/2) of the annual allowance provided in Paragraph A above for the purpose of reimbursing a portion of the initial uniform expense. New hires shall not be entitled to any additional uniform allowance during the first year of employment with the City. Beginning with the pay day for the first bi-weekly pay period to commence after completion of the first year of employment the employee shall be entitled to begin receiving semi-annual payments as established in Section "A" above.

CSO's will be reimbursed up to a maximum of eight hundred dollars (\$800.00) for the purchase of replacement vests.

SECTION 9: COURT APPEARANCE PAY

- A. When employees who are off duty appear in court in response to a subpoena as part of their normal work assignment, they shall be entitled to a minimum of four (4) hours pay at the rate of one and one-half (1 ½) the employee's straight time hourly rate of pay.

D. SICK LEAVE BANK OF HOURS

New General Leave hours which accrue above the maximum accrual limit described in paragraph C, above shall be placed in a Sick Leave Bank of Hours with a maximum accrual limit of 300 hours plus any "Old" sick leave hours accrued prior to January 1, 1994.

Accrued time in the sick leave bank shall not be compensated for in any manner except as used for sick leave as provided for in the Personnel Rules.

E. TERMINATION OF LIQUIDATION OF GENERAL LEAVE DURING EMPLOYMENT

All liquidation of New, Old, and/or Aggregate General Leave during employment shall cease with the Old General Leave accrued through 2400 hours December 31,

1993. No New General Leave accrued on or after 2400 hours December 31, 1993 will be liquidated during employment.

F. LIQUIDATION OF OLD GENERAL LEAVE AT SEPARATION

the monthly base pay in effect at time of separation plus 37.539% of monthly base pay multiplied by twelve (months in the year) divided by 2080 (the number of work hours in a year).

New General Leave accruals will not replenish or replace Old General Leave accruals.

G. LIQUIDATION OF NEW GENERAL LEAVE AT SEPARATION

All New General Leave Bank hours earned on or after January 1, 1994 shall be liquidated at the hourly base rate in effect at separation.

H. PROSPECTIVE FORFEITURE OF GENERAL LEAVE ACCRUALS

Effective January 1, 1994, the City shall cease paying the employee the cash value of the benefit load of 37.539% on the value of prospectively forfeited General Leave accrual payments.

Effective July 1, 1994, the practice of prospectively allocating monthly General Leave accruals as pay to be reported to PERS shall cease.

Leave may be liquidated in one-hour increments up to the annual maximum liquidation limit. The applicable maximum liquidation limit will be based on the employee's years of service as of the end of the first pay period in May. This leave

liquidation will be paid out in a lump sum on the first scheduled payday in the following August.

Years of Service	Maximum Accruable Leave	75% Qualifying Balance	Maximum Liquidation Limit

SECTION 3: USE OF SICK LEAVE BANK

The employee's immediate family is defined as wife, husband, child, brother, sister, parent, parent-in-law, grandparents, and grandparents-in-law, except that a relative residing in the same household, or a life partner residing in the same household who is not a legal spouse, may, for the purpose of this section, be considered as of the immediate family. A life partner is an individual who is in an established, long term relationship (minimum of six (6) months) with an employee.
- B. Accrued time on the sick leave bank shall not be compensated for in any manner except as used for sick leave as provided for in the Personnel Rules.

SECTION 4: HOLIDAYS

- A. To be eligible for holiday pay on any of the following days, an employee must be in a paid status on the regular scheduled work day both the day before and the day after the designated holiday.

- B. Holiday Time Bank Effective with Council adoption of the contract on September 6, 2011, each employee shall have annual holiday time of 88 hours credited to a holiday bank. Holiday hours shall be prorated for employees that work a modified/part-time schedule.

Effective the second pay period in June 2012, and each June thereafter, each employee shall annually elect whether they want to receive holiday time in biweekly pay (4.0 hours biweekly) or have annual holiday time of 104 hours credited to a holiday bank. The 104 hours includes 8 hours of floating holiday. The employee's holiday option shall remain in effect until changed by the employee.

Employees electing biweekly holiday payment who take a holiday off must use comp or vacation time for such holiday, subject to department approval. Employees with a holiday bank who take time off can use holiday time, comp time or vacation time, subject to department approval.

Each employee recognizes that arrangements for taking time off must reflect public need and service responsibilities of the department and that the final decision, with no employee appeal rights regarding the scheduling of such time off as provided by this Article, shall rest with the department.

The department retains the right to determine that certain employees, not needed for service responsibilities, shall take holidays off as they occur.

- C. No carry over into the following calendar year of such holiday time not taken shall be allowed. Any balance of such unused hours shall be compensated for by pay at the straight time hourly rate of the employee. This payment will be paid to the employee in the first paycheck issued in December each year. Any such time-off to be taken between December 1 and 31 must be approved by the department prior to December 1.
- D. Any employee who terminates employment shall only be entitled to the number of holiday time bank hours equivalent to the number of holidays (as listed in Article 3, Section 4) actually occurring on or between January 1 and the employee's last day of employment. Any unused balance of such hours shall be compensated for by pay at the employee's straight time hourly rate. Should such employee have taken more hours of holiday time off than provided for by this section, the employee will be required to repay the City for all hours taken in excess of the number of entitled hours. The amount of repayment required shall be deducted from the employee's check or available leave balances.
- E. Any holiday occurring as provided in Section 4, G. shall not be included in said holiday time bank but shall be compensated for by pay at the employee's straight time hourly rate.

SECTION 5: PARENTAL LEAVE

Leaves of absence for pregnancy shall be granted to employees as follows:

A pregnant employee may continue employment as long as her health and the health of the unborn fetus would not be adversely affected by the continued performance of the duties of her position. In conformity with the California Pregnancy Disability Act, the City at any time may require information from a doctor of medicine in making the determination of employment suitability. A pregnant employee may be absent from employment for a collective period of time not to exceed four (4) months during the term of pregnancy and post pregnancy period. The employee may choose to charge any portion of this period to any of her accrued unused paid leave balances. Such absences shall only be granted for medical reasons arising from the pregnancy, the subsequent childbirth, or other termination of the pregnancy.

All absences due to pregnancy, childbirth, or other termination of pregnancy and the ability of the employee to return to work shall be subject to verification by a doctor of medicine.

A pregnant employee must advise the City in writing of her intent to take pregnancy leave time off and to return to work.

The City will implement whatever Federal or State laws regarding Parental Leave rights are mandated during the period of this MOU.

An adoptive parent may be absent from employment for a collective period of time not to exceed twelve (12) weeks and may charge any portion of this period to any accrued unused paid leave balances, except that the use of any accrued sick leave must be limited to six (6) weeks (240 hours). If both parents are City employees, the total time off between them may not exceed twelve (12) weeks.

Employees who comply with the foregoing shall be returned to employment with the City in the same classification with no loss of seniority or benefits accrued, but not used, prior to the commencement of such leave. Such leaves shall be administered consistent with City leave policies and procedures except as herein provided.

SECTION 6: LEAVE FOR THE PURPOSE OF EXTRAORDINARY MEDICAL CARE

It is the City's intent to comply fully with the requirements of the California Family Rights Act (CFRA), the federal Family and Medical Leave Act (FMLA), California requirements regarding pregnancy disability leave (pregnancy leave), the City of Fremont Personnel Rules regarding Leave Without Pay (LWOP), and the General Leave (GL) Plan.

The City's Administrative Regulations combine the rules and procedures of the above leave types and define their application to City of Fremont employees.

SECTION 7: LEAVE WITHOUT PAY

An employee may not take leave without pay until all accumulated paid leave time for which the employee is eligible is exhausted, except that an employee may be granted leave without pay without exhaustion of accumulated paid leave time when recommended by the Department Head and approved by the City Manager.

SECTION 8: JURY DUTY LEAVE

- A. Any employee required to report in-person for jury duty shall have his/her work schedule changed for the duration of the jury duty when the duration of the jury duty is expected to last one week or longer to 8:00 a.m. - 5:00 p.m. Monday-Friday to reflect the hours served on jury duty. Such employee shall be compensated at the employee's regular salary for the period of such duty.
- B. No employee shall be required to work within twelve (12) hours prior to the start of the period of jury duty. No employee shall be required to work within twelve (12) hours after the release from jury duty.
- C. Employees shall be required to report to work if excused prior to 1:00 p.m. on any day of jury duty, and work out the balance of the shift. If the employee is excused after 1:00 p.m. on any day of jury duty, he/she shall not be required to report to work out the balance of the shift.
- D. Leave of absence with pay shall be granted to an employee who has been selected for jury duty and from which he/she cannot be excused. An employee who serves on jury duty will be paid his/her regular salary for the period of such duty.

SECTION 9: BEREAVEMENT LEAVE

In the case of a death in the immediate family, employees may be granted a leave of absence of three (3) days as bereavement leave. Time taken shall be considered paid bereavement leave and will not be charged against the employee's accrued general leave.

"Immediate family" is defined as wife, husband, child, brother, sister, parent or current parent-in-law, grandparent or current grandparent-in-law, except that a relative residing in and a member of the same household, or a life partner residing in the same household who is not a legal spouse, may be considered as of the immediate family.

SECTION 10: PERSONAL EMERGENCY TIME (PET) BANK

In the event of a medical, personal or family emergency, employees covered under this MOU may donate or receive accrued and/or prospective leave accruals to or from other City of Fremont employees, providing the following:

- A. For purposes of this article, "medical, personal, or family emergency" shall mean circumstances in which an employee needs to take time off from, or reduce, their

regular work schedule as the result of the illness or injury of themselves or illness or injury of a family member which requires their care. "Family member" shall be defined as: 1) a biological, adopted, or foster child, a step child, a legal ward under 18 years of age, and an adult dependent child over 18 years of age; 2) a biological, foster, or adoptive parent, a stepparent, a legal guardian, or a person who stood in place of a parent to the employee; 3) a spouse as defined or recognized under State law for purposes of marriage in the State of California; or 4) another relative residing in and a member of the same household or a life partner residing in the same household who is not a legal spouse.

- B. Only accrued vacation or general leave and future, unaccrued vacation or general leave may be donated. Neither sick leave nor compensatory leave time may be donated.
- C. The recipient employee will not accrue City seniority during any period of donated leave usage.
- D. The point at which an employee may request use of the PET Bank shall be when all general leave, compensatory time, and sick leave banks, as applicable to the recipient employee, have been used down to an aggregate total of forty-five (45) hours and the employee anticipates that he/she will, because of the need to be absent from work more than forty-five (45) hours during the next pay period, use all existing aggregate hours.
- E. The recipient employee will be responsible for payment of taxes due on the salary received when the leave is used.
- F. The donating employee cannot donate future leave accruals beyond the extent of accrued leave available at the time of donation.
- G. The donating employee cannot donate accrued leave in excess of their existing vacation or general leave balance.
- H. The City will determine whether or not a leave of absence will be approved for the recipient employee. The City will comply with Federal and State laws at all times, which will generally provide direction for evaluating leave requests.
- I. Neither the City nor the Bargaining Unit shall discriminate in any way with respect to the donation of accrued leave or future leave accruals based on race, religion, creed, political affiliation, color, national origin, ancestry, sex, marital status, age, sexual orientation, medical condition, or physical or mental disability.
- J. In instances when the receiving employee does not use all donated hours, the hours not used will, at the donating employees' election, either be placed in the PET Bank for use by other eligible employees or returned to the donating parties.
- K. A donating employee may designate a specific recipient to receive donated hours.

- L. Employees in the Bargaining Unit may give or receive hours across bargaining unit lines consistent with reciprocating agreements with other City of Fremont bargaining units.
- M. In the event the City adopts a city-wide PET Bank policy, the parties to this MOU shall meet and confer regarding the impact of implementing a city-wide PET Bank policy.

SECTION 11: ON THE JOB INJURY LEAVE

- A. The City and the Union agree that for injuries occurring on or after December 31, 2000, the first paragraph of Personnel Rule, Article XII, Section 2.01, titled Disability Leave will no longer apply to employees covered by this agreement, and will be replaced instead by the following provisions.
- B. A full time, regular employee who is unable to work as a result of injury or illness certified as arising out of and in the course of his/her employment with the City of Fremont, shall be paid an amount which, together with the Workers' Compensation benefits to which he/she may be entitled, shall equal:
 - 1) His/her regular rate of pay for the first sixty (60) calendar days (or hourly equivalent); and
 - 2) Eighty percent (80%) of his/her regular rate of pay for the sixty-first (61st) through the three hundred sixty-fifth (365th) calendar day (or hourly equivalent).

Effective July 1, 2010, the City shall contribute the sum of \$1,512.00 (one thousand five hundred twelve) per month to the HBA for eligible employees represented by the Teamsters Local 856.

There shall be no increase in the HBA during the term of this MOU.

In the event premiums and/or costs for the selected benefits exceed the amount of the HBA, the balance will be paid by the employee through automatic pre-tax payroll deduction, as allowed under IRC Code, Section 125. Money not used for the purchase of benefits under the Plan will be paid to the employee in taxable cash. The maximum amount any employee may receive as taxable compensation in lieu of the purchase of benefits will be \$580 (five hundred eighty dollars) per month.

The City's contribution as established above shall be the maximum amount required, and the City shall not be responsible for contribution of any sum in addition to that established by the terms of this MOU.

The coverage, exclusions and limitations of the City sponsored plans are those in force on July 1, 1993, for the purpose of description of said plans.

In the event that the benefits in this Article become fully subject to federal or state taxation, the City and the Teamsters Local 856 shall meet in a timely manner to discuss the impact.

SECTION 2: MEDICAL COVERAGE OPTIONS

- A. Employees must either enroll in the Teamsters Local 856 Health and Welfare Trust Fund or provide proof of other medical coverage. Employees shall not be eligible for nor be permitted to enroll in any City sponsored health or dental care plans during the term of this MOU, but shall continue to participate in the life insurance programs sponsored by the City. It is further understood and agreed that the City shall not be held responsible or liable for any matters, including the determination and payment of benefits arising in the administration of the Teamsters Local 856 Health and Welfare Trust Fund.
- B. An employee who elects coverage under the Teamsters Local 856 Health and Welfare Trust Fund may elect coverage for a domestic partner to the extent and according to the procedures of the Trust Fund.

0 to 5	\$0	\$0	\$0
6 to 10	\$150	\$0	\$150
11 to 19	\$150	\$75	\$225
20 or more	\$150	\$150	\$300

The amount of City reimbursement shall not exceed the premium required for the retiree's particular level of coverage in the plan selected. Retirees must comply with the processes and procedures established by the City for verification of enrollment, cost of plan and other required information to maintain their eligibility for reimbursement.

SECTION 4: LIFE INSURANCE COVERAGE

All employees covered by this MOU shall be provided with fifty thousand dollars (\$50,000) of group term life insurance under a program to be selected and administered by the City.

Each employee shall have the option to purchase supplemental life insurance at no cost to the City. To qualify for the purchase of additional optional supplemental life insurance, the employee will be required to meet qualifications set down by the insurance carrier.

SECTION 5: SHORT TERM DISABILITY/LONG TERM DISABILITY

- A. The maximum amount of insurable salary under the salary continuation plan shall be the employee's total base salary, not to include any special allowances to maximum of \$15,000 per month.
- B. The Short Term and Long Term Disability plans will be selected and administered by the City and shall be made available to all members of the unit.
- C. Effective January, 1, 2010, any employee electing coverage under the Short Term and Long Term Disability plans will assume responsibility for payment of the entire insurance premium on an after-tax basis. Effective January 1, 2010 will credit the employees with the premium cost of the Long Term Disability Plan.

SECTION 6: INSURANCE BENEFIT ADMINISTRATION

The City shall have the exclusive right to determine and select the provider or method of providing benefit plan services and the methods of providing benefits for: life, income protection or other benefits which may be provided through insurance plans, self-insurance or similar procedures for providing such benefit plans.

If any change in benefit levels is proposed by the City, the City and the Union shall meet and confer in accordance with Section 3500, et seq., of the California Government Code, and no change shall be made without mutual agreement.

ARTICLE 5 - RETIREMENT

SECTION 1: PUBLIC EMPLOYEES RETIREMENT SYSTEM (PERS)

- A. The City agrees to continue the existing contract with PERS for employee retirement benefits which provides the 2.5% at 55 retirement formula, 3% COLA and single highest year for employees hired before January 1, 2012.
- B. For employees hired on or after January 1, 2012 the PERS contract will provide a 2% @ 60 retirement formula, highest average 36 consecutive months of compensation and a 2% COLA.

- A. Teamsters Local 856 and the City jointly acknowledge that Government Code Section 20022 defines compensation for the application of the Public Employees' Retirement Law (Government Code Section 20000 et seq.), and that the Board of Administration is expressly granted the authority to determine what constitutes compensation. Teamsters Local 856 hereby expressly acknowledges that the City neither represents nor guarantees that items reported hereunder as compensation will be included in the calculation of retirement benefits nor does it assume any liability for a determination by PERS or any court or adjudicatory body that an item is not compensation for the purpose of calculating retirement benefits under the California Public Employees' Retirement Act.
- B. Effective 2400 hours, December 31, 1993, the City will cease making payment on behalf of the employees in this bargaining unit to the Public Employees' Retirement System (PERS) for any and all earnings subject to payment of an employee retirement contribution and designating such payment as an Employer Paid Member Contribution (EPMC).

- C. Effective 0001 hours, January 1, 1994, the City will increase base salary of employees encumbering positions in this bargaining unit in the amount of six and sixty-one hundredths percent (6.61%). Employees encumbering positions in this bargaining unit shall assume responsibility for payment of the normal employee retirement contribution to the Public Employees' Retirement System (PERS) and the City shall designate such payment as an "Employer Pickup" as defined under the provisions of Section 414(h)(2) of the Internal Revenue Code. ARTICLE 6 - HOURS AND SCHEDULING

SECTION 1: MEAL PERIODS

- A. Employees in the class of Community Service Officer when assigned to a rotating patrol shift position (11-hour schedule) shall have a fifty (50) minute meal period included within the hours of such scheduled workday.
- B. Employees in the Police Dispatch Center represented by IBT shall have a fifty (50) minute meal period included within the hours of their scheduled workday when on an 11-hour schedule.
- C. Employees in the class of Police Detention Officer and Police Detention Officer Supervisor shall have a fifty (50) minute meal period included within the hours of their scheduled workday when on an 11-hour schedule.
- D. Employees in the class of Police Property Officer shall have a fifty (50) minute meal period included within the hours of their scheduled workday.
- E. Upon the adoption of this agreement, employees in the Police Laboratory represented by IBT shall have a fifty (50) minute meal period included within the hours of their scheduled workday.
- F. It is understood that such employees shall be required to remain on duty for the entire period of their workday, including said meal period; to respond to public service requirements; and if on field assignment, or in any other manner away from

their assigned work station, to remain in radio contact with the dispatcher. It is also understood that employees in the above classes who are required to accomplish an assignment during their meal period will do so without additional compensation.

SECTION 2: ALTERNATE WORK SCHEDULES

An employee may request of her/his Department Head or designee assignment to an alternate work schedule. Such request shall be in writing and include the schedule proposed by the employee. The Department Head or designee shall respond in writing to the employee within thirty (30) days of the date the employee request was received.

Said response shall include the duration and conditions under which the alternate schedule would be approved or the reason(s) for its disapproval.

SECTION 3: STAND-BY TIME

No employees in the classified service who are employed in the classes of positions represented by the Union are required to perform stand-by duty.

In the event the City, in the future, contemplates the need of such stand-by duty to be performed by such employees, the parties to this MOU shall meet and confer on the issue of stand-by pay.

SECTION 4: "4-11" AND 10 HOUR SCHEDULE AND DEPLOYMENT PLAN

- A. This 4-11 Plan will affect those employees assigned to work a regular schedule of eleven (11) hours per day, four (4) days per week.
- B. Schedules, as they relate to shift starting times, will be determined by management on the basis of peak activity staffing needs and may be altered periodically subject to existing rules.
- C. Staffing will be determined by management as may be necessary from time to time.
- D. All employees assigned to the 4-11 Plan will have time off, as well as time worked, computed in hours rather than days. This includes the use of General Leave and Holiday Leave. In each of these cases, when a regular shift is taken off a General Leave or compensatory time deduction will be made at the rate equal to the number of hours in the employee's regularly assigned shift.
 - 1. Regularly scheduled work performed on a day which is observed as a holiday shall be credited at time and one-half.
 - 2. The General Leave accumulation rates are based on annual entitlements defined in hours as provided for in Article 3 of this Memorandum of Understanding.
- E. For purposes of determining hourly wages, the current determination of hourly wages will continue.

F. Training Considerations:

1. When any employee who is assigned to work the Plan is assigned to school the days in which he or she is in school will be considered 8-hour days. Days off will be assigned accordingly. For example, if a Police Communications Dispatcher is assigned to attend a school for five days during a week when they would be scheduled for two days off, they will be considered to have worked five 8-hour days and thus be entitled to two days off that week. The regular scheduling of days off would then occur beginning the day they return to work.
2. In determining the appropriate number of days off, a work week should be viewed as beginning Sunday and ending Saturday. As such, any Police Communications Dispatcher attending school for forty (40) hours during that time span is entitled to two (2) days off. If their regularly scheduled days off are during the time they are in school they will then be credited with two (2) days.
3. If the school is less than five days the employee will return to the regular schedule on the day he or she returns to work. If the school occurs on the employee's days off he or she will be given the same number of days off upon return from school. In effect, when a Police Communications Dispatcher attends a school that is less than a full week, he/she will receive whatever number of days off he/she was scheduled for that week.

G. The deployment plan will be subject to periodic evaluations by management which will be solely responsible for any decision as to future implementation or termination. However, in the event that a change in this agreement is indicated, the affected employee groups will be provided with the results of the evaluation and be afforded an opportunity to meet and discuss alternatives. The evaluation will be made with consideration of all factors weighted in reasonable proportions, as well as any extraordinary or unusual circumstances which may impact the program. No judgment of the program will be based on an evaluation of any single factor. Further, at the discretion of management the program may be terminated at any time if such conditions render it impractical to provide sufficient coverage for services under the deployment plan.

H. For program evaluation purposes, management will use Unscheduled General Leave usage, Sick Leave usage, Overtime expenditures (with the exception of expenditures required for holiday pay or court time), a reduction in staffing levels due to attrition, and the ability of Communications to deliver services at levels established by management.

I. Effective January 29, 2012, employees on the 4-11 plan will transition to ten (10) hour shifts on a rotating sixteen (16) day cycle. The schedule will be evaluated six months after implementation to determine the impact on costs, team policing and operations. The City agrees to full disclosure on all data evaluating the 10 hour shift.

ARTICLE 7 - GRIEVANCE PROCEDURE

SECTION 1: PURPOSE

The parties recognize that disputes should be resolved expeditiously at the lowest possible administrative level. This grievance procedure is intended to meet this goal and to assure that in presenting a grievance, the grievant and/or his/her representative is assured freedom from restraint, coercion, discrimination or reprisal.

SECTION 2: DEFINITION

A grievance shall be defined as:

- (a) An alleged violation or dispute regarding the application or interpretation of rules, regulations, policies, procedures, Memorandum of Understanding, City ordinance or resolution related to terms or conditions of employment, wages or fringe benefits.
- (b) An appeal from a disciplinary action taken against an employee such as dismissal, demotion, suspension, reduction in salary or transfer.
- (c) Verbal and written reprimands are not subject to the grievance procedure; however, written reprimands may be appealed to the City Manager within fourteen (14) calendar days of receipt. The City Manager or designee shall review the circumstances and render a written decision within fourteen (14) calendar days of review. The decision of the City Manager/designee shall be final and conclusive.

SECTION 3: GENERAL PROVISIONS

- (a) The grievance procedure is not available to employees in probationary, provisional or temporary status with the City of Fremont.
- (b) Concurrent appeals alleging violation of the same provision shall be consolidated.
- (c) Grievances resulting from discipline which have gone through a Skelly meeting shall enter the grievance process at Step 3.
- (d) If the parties agree, other grievances may be initiated at a level higher than the initial step in the grievance procedure.
- (e) Any other dispute resolution mechanism may be substituted for this procedure upon mutual agreement between the parties prior to invoking the arbitration provisions of this article.
- (f) Nothing in these procedures shall prevent discussion or meetings between the parties at any time to clarify the facts in order to conclude the matter as promptly as possible.

- (g) Time limits prescribed herein may be extended by mutual agreement of the parties. Failure by the employee or Union to follow the time limits, unless so extended, shall nullify the grievance. If the City fails to follow the time limits, unless so extended, the employee may advance the grievance to the next step.
- (h) When an employee is asked to appear as a witness during any step of the grievance procedure, he/she shall be compensated at his/her regular rate of pay for actual time spent in such appearance during regularly scheduled working hours.
- (i) The procedures set forth in this article shall not apply in matters where other methods of appeal have been specifically provided for in State or other applicable law, such as, but not limited to, appeal of workers' compensation claim disposition and appeal of determination of retirement status under CalPERS.

SECTION 4: PROCEDURE

It is the intent of both parties that disputes be resolved at the lowest level possible in an expeditious manner. When informal discussions do not result in a satisfactory resolution to the issue(s), the following formal procedure shall be utilized. Additionally, a City of Fremont Grievance Submission Form must be used in all grievance filings.

- Step 1 Formal Submission.** The employee or Union may submit the grievance in writing to the immediate supervisor within thirty (30) calendar days of the occurrence of the alleged violation or discipline received, or within thirty (30) calendar days from such time as the employee or Union should reasonably have been aware of the occurrence or discipline. The grievance shall state the specific section of the Memorandum of Understanding, or City ordinance or resolution alleged to be violated; or, the disciplinary action taken, the nature of the grievance, and the proposed resolution. The supervisor shall render a decision in writing to the employee and/or Union representative within fourteen (14) calendar days of the formal submission of the grievance.
- Step 2 Appeal to Department Head.** Should the grievance remain unresolved, the employee or Union may, within fourteen (14) calendar days after receipt of the supervisor's decision or the date that the response should have been received, submit the grievance in writing to the Department Head. The Department Head or his/her designated representative shall respond to the grievance in writing within fourteen (14) calendar days after receipt of the Step 2 grievance.
- Step 3 City Manager or Designee -- Union Representative.** Should the grievance remain unresolved, the employee or Union may, within fourteen (14) calendar days after receipt of the Department Head's response or the date that the response should have been received, submit the grievance in writing to the City Manager/designee.

The City Manager/Designee shall meet with the Union representative within fourteen (14) calendar days of submission of the grievance at Step 3 in order to attempt to resolve the dispute.

The City Manager/Designee shall issue a written decision within fourteen (14) calendar days after the date of the meeting.

Step 4 **Arbitration.** Should the grievance not be resolved to the satisfaction of either the Union or the City, either party may request arbitration as the final step in the appeal process by notifying the other party of their intent to utilize the services of an arbitrator. Such notice shall be in writing and shall be provided to the other party within fourteen (14) calendar days from the date of the City Manager/Designee's written notice of decision was due or received.

SECTION 5: ARBITRATION RULES

(a) Generally: The Union and the City agree that the final and binding resolution of any grievance shall be by arbitration. The City Council confers to the City Manager the authority to carry out the decision of the arbitrator.

(b) Arbitrability: If the question of arbitrability of an issue is raised by either the Union or the City, such questions shall be determined in the first instance by the arbitrator who shall, upon request of any party, make his/her determination prior to hearing the merits of the case.

(c) Selection of Arbitrator: Upon notice of intent to arbitrate, the Union and the City shall meet to select an arbitrator. If unable to mutually agree on the selection of an arbitrator, then a list of seven (7) arbitrators shall be obtained from the State of California Department of Industrial Relations. Nothing in this section will preclude the parties from agreeing to use a list of arbitrators provided from other sources. The parties shall initiate the selection process from the list received by flipping a coin to determine which party starts the strike out process. The parties shall then alternately strike names from the list until only one name remains and that individual shall be the arbitrator.

(d) Decision of the Arbitrator: The decision, opinion, and award of the arbitrator shall be final and binding upon all parties, subject to review only under the provisions of California Code of Civil Procedure Section 1280 et seq. The arbitrator shall not have the power to add to, subtract from, or modify any of the terms of this Memorandum of Understanding and shall not have jurisdiction to make any award which would not have been authorized under applicable authority in the absence of this agreement to arbitrate, except by the joint prior authorization of the parties.

(e) Costs of Arbitration: The Union and the City agree to share equally all costs of the arbitrator and to be responsible for their own respective costs of making their presentation to the arbitrator. If by mutual agreement or requirement of the arbitrator, services of a court reporter are utilized, the parties agree to equally share the cost of such services.

ARTICLE 8 - UNION ISSUES

SECTION 1: ORGANIZATION BUSINESS

- A. Union Steward(s) shall be allowed time off with pay when approved by the Municipal Employee Relations Officer (City Manager), or designee, for the purpose of conducting Union business. It shall be the responsibility of each union steward to advise his/her supervisor of the expected absence from regular duties for the conduct of Union business.
- B. With respect to the meet and confer process, five Union representatives (one from each operating section) shall be the maximum number of employees who will be allowed concurrent time off without loss of compensation. The Union shall submit the names of all such employee representatives to the Municipal Employee Relations Officer. The employee representatives shall request release time from their supervisors in advance of leaving their work assignments to attend meet and confer sessions. Approval of release time shall not be unreasonably denied.

SECTION 2: MEETING FACILITIES

The Union shall be provided with reasonable use of City facilities for the purpose of holding meetings with its members, provided such usage does not interfere with City business or revenue derived by the City from rental of such facilities.

SECTION 3: MAINTENANCE OF MEMBERSHIP

- A. An employee working in a classification covered by this MOU who has authorized deduction of regular monthly membership dues or who authorizes deduction of such dues during the life of this MOU may not revoke his/her authorization, except during the period between ninety (90) days and forty-five (45) days preceding the expiration date of this MOU.
- B. If an employee does not revoke the authorization for deduction during the time specified, said dues shall be deducted from the employee's earnings for the entire portion of the term of this MOU, except in the event of the employee's separation from regular City service or in the event the employee is appointed to a permanent position in a classification not covered by this MOU and, in such instances, revocation may take place at the time of such status change.
- C. The Union shall defend, save, indemnify and hold harmless the City and its officers, agents and employees from any and all liabilities and claims for damages from any cause whatsoever arising from or connected with and on account of dues deductions made on behalf of the Union.

ARTICLE 9 - MISCELLANEOUS PROVISIONS

SECTION 1: JOINT LABOR MANAGEMENT COMMITTEE

The parties have agreed to continue the Joint Labor-Management Committee to meet and discuss a variety of topics of interest to both parties.

SECTION 2: TUITION REIMBURSEMENT

Effective July 1, 2007, the City shall fund a Tuition Reimbursement Program for use by non-probationary employees in the unit with at least six (6) months of full time service with the City. This program will provide reimbursement to eligible Teamster members for successful completion of courses, seminars and workshops that are related to employment opportunities with the City. The City will fund \$7,500 for each fiscal year of the term of this MOU. Unexpended funds from one year shall be carried forward to the next year.

The maximum reimbursement will be one thousand two hundred dollars (\$1,200) per employee for each fiscal year of this MOU. The reimbursement will be provided if the following conditions are met:

- A. Courses must be pre-approved as job related by the Chief of Police or designee prior to the start of the course.
- B. Eligible expenses include required textbooks, tuition, fees, lab fees and equipment, but will not include parking fees or health fees related to enrollment.
- C. Employees must attain a final grade of "C" or better for both undergraduate and graduate work. Courses providing a "pass/fail" must achieve a "pass" to qualify for reimbursement. Ungraded seminars and workshops will be reimbursed based on proof of successful completion.
- D. Requests for reimbursement shall be submitted in accordance with the procedures developed by the City. A request for reimbursement will not be considered submitted until it includes the relevant receipts and proof that the necessary grade or successful completion was earned.
- E. Requests for reimbursement must be submitted within thirty (30) calendars days of the end of a fiscal year to be allocated to that fiscal year.
- F. Monies expended on tuition reimbursement will be subject to appropriate IRS regulations.
- G. Courses must be taken on the employee's off duty hours, unless prior approval is received from the employee's supervisor.

This program is intended to provide educational and career development opportunities, including licenses and certificates that are job-related, and shall not replace other training currently offered by the City.

SECTION 3: EMPLOYEE-PAID RETIREMENT HEALTH BENEFIT SAVINGS PLAN

During the term of this MOU, the City will research and develop alternatives for the purpose of implementing a citywide employee-paid retirement health benefit savings plan.

SECTION 4: POLICE DETENTION OFFICER & POLICE DETENTION OFFICER SUPERVISOR

Prior to the expiration of this MOU, the parties agree that the City will conduct a benchmark survey using comparable jurisdictions for the purpose of reviewing and comparing job functions within the classifications of Police Detention Officer and Police Detention Officer Supervisor.
